

Today in Art Masterpiece we studied the artist Wassily Kandinsky. The art work is called Color Study: Squares with Concentric Rings. He grew up in a wealthy, educated family and learned to play piano and cello as well as drawing and writing poetry. He was very influenced by music and many of his famous paintings have names that relate to music; "Improvisations", "Impressions", and "Compositions". Kandinsky is credited with painting the first modern abstract painting at the age of 44. He believed all colors and forms have deep meaning.
