- **Andersen Elementary has a school garden!**

This has been in the works for some time and we are proud to say the garden is up and growing! A big thank you to our district Support Services team for helping us with this effort. They were instrumental in providing the resources to water the garden and for building and placing the pallets needed to construct our garden. Keri Williams, CHS FFA teacher and CHS student Uma V., were also key contributors to the success of our garden! Our wonderful PTO was also greatly appreciated for purchasing supplies needed in order to turn this adventurous idea into reality. This year's dedicated teacher club sponsors are Lisa Krietenstein and Rachel Herman from our first grade team. A HUGE thanks to them for coordinating the first Andersen Elementary Garden Club!
