

The Leader in Me – Andersen Elementary

Dear Parents,

February 8, 2016

Andersen Elementary is kicking off its fundraising efforts to support **The Leader in Me** for the 2016-2017 school year. We have a variety of fundraisers planned and we are hoping to raise \$15,000 for our new program.

The Leader in Me is based off of Stephen Covey's book, *The Seven Habits of Highly Effective People*. The Leader in Me is a leadership operating system that is developed over time in a school setting to create a culture that embodies the 7 Habits. Every student is a leader in some way and our responsibility is to find the potential in all of our students. Parents will also have a part with an opportunity to attend a training on how to implement the 7 Habits at home.

We need your help in supporting our fundraising efforts. We are asking our Andersen Families to consider making a financial donation by either making a tax credit donation to Andersen Elementary to our general tax credit account or by just writing a check to support The Leader in Me. Any amount will help us to reach our goal of \$15,000.00. Please consider making a donation using the form below.

We will also be reaching out to local businesses to make a donation to Andersen Elementary. If you work at a business that makes donations to non-profit organizations, consider asking for their support in contributing to Andersen Elementary and The Leader in Me. If you have a contact person that I could talk with, please pass their name and number on to me.

We will need every effort to reach our goal of \$15,000. We ask for your support and ask that you spread the word about this great program coming to our school. Creating leaders at a young age helps to create a future that has endless potential for all of our students. Thank you again for your support.
