

Hello Everyone! I hope you all had a chance to read about the School Cents Program from a flyer that was sent home with each student on Friday. I am very excited to be the coordinator this year. I, myself am new to the program, others may be old pros at it, but hopefully our school will make a big profit this year! We can earn up to \$3,000 in Mall Gift Cards at the end of the year.

The program starts this Thursday, August 15, 2013 and will end on April 15, 2014. This weekend, August 16th-18th, is the big kick-off and we can earn 4 times the points for all purchases made and logged in at Guest Services. They are located on the upper level across from Barnes & Noble. If you forget to log in your receipts, you can always drop them off in the school office. Just look for the box labeled School Cents.

If you have little ones at home, they can attend the FREE Kids Club every Wednesday at 10am in the Gap wing. They will be entertained for an hour and our school earns 500 points each time you go.

Is there someone you have to buy a gift for but do not know what to get them? How about a Mall Gift Card. We can earn 1,000 points - "Problem Solved!"

If you would like to learn more about the program, please visit shoppingpartnership.com. Under "Your Program", select Chandler Fashion Center. This is where you can sign up to receive emails for bonus point offers. You must confirm by clicking on the link sent to you. Once confirmed, we can earn 1,000 points. If you select the option to receive emails from Chandler Fashion Center, we can earn another 1,000 points. Existing Subscribers will automatically be credited.

There are all sorts of ways you can participate and earn points for our school. So now that I've given you a few different ways, lets earn some points! If you should have any questions, please feel free to email me or any other PTO member at andersenpto@gmail.com. Thanks for your participation!
