

Reflective Prompts

- Why is this my best work?
- What makes this my most effective piece?
- What did I do well that I want people to notice?
- What do I want my teacher to look for as he/she evaluates this piece?
- What content knowledge from class was important to complete this task?
- What critical thinking strategies did I use to complete this task?
- How did I go about accomplishing this task?
- What skills did I improve while completing this task?
- What other skills do I need to improve that I noticed as a result of this work?
- What did I find most difficult about completing this task?
- What problems did I have and how did I solve them?
- What would I do differently if I had a task like this again?
- Where do I go from here?
- How could I improve this work?
- What does this work show about me?
- How does this relate to what I learned before?
- What did I learn about myself when doing this work?
- How can I apply this to the real world?
