

**Ryan Elementary School Learning Environment Request Form 2017-2018**  
**Due by Friday, April 28, 2017**

At the close of the school year, Ryan teachers will be working with the administration on preliminary class placement decisions for next year. Throughout this process we will consider many factors in order to create classes that are well balanced. These include academic ability, English language skills, gender, personality, and learning style. **No specific teacher names will be assigned to these classes at this point.** Please keep in mind that staffing changes may occur throughout the spring and sometimes even in the summer. For example, teachers may change grade levels or possibly move to a new school. Please trust that we will make the best possible placement for your child based on what we know about them.

Of course as parents, you know your child better than anyone else. If you would like to share anything about him or her that you believe the team might find helpful during the placement process, please do so. While we will consider your input as we assign your son or daughter to a class, **we will not honor specific teacher requests or requests to be placed with friends. Any form that names a specific teacher (other than a sibling request) will not be considered. \*\*You must submit this form if you are requesting the same teacher that an older sibling had.\*\***

Please return this form to the front office no later than **Friday, April 28, 2017**

- I **would like** to request that my child be placed with \_\_\_\_\_ (insert teacher's name) because an older sibling had this teacher and we have developed a good rapport with him/her. (All sibling requests will be reviewed; however, they may not always be possible.)
- I would prefer that my child **not be placed** with \_\_\_\_\_ (insert teacher's name) because an older sibling had this teacher previously and we do not believe this teacher would be a good fit for our child.
