

PERRY HIGH SCHOOL

PRIDE ♦ PROGRESS ♦ PURPOSE

Dear 2017 Graduate and Parents:

Enclosed you will find important information about this year's graduation ceremony. It is important that both graduates and their families be familiar with the information contained within this mailing.

An event of this magnitude requires a great deal of teamwork, cooperation, and patience. It is the responsibility of each graduate to ensure that this event is dignified and a ceremony of which we can be proud.

Please check the schedule of events leading up to the graduation ceremony. The ceremony is on **Wednesday, May 31st, at 7:30 p.m.** at John Wrenn Stadium. It is very important that each graduate attend the scheduled meetings and practices. Should a conflict arise, the graduate and his parents must contact my office as soon as possible. Failure to attend meetings and practices may result in the graduate being excluded from the graduation ceremony. **Please note:** in the event of inclement weather, the ceremony would be moved into the auditorium and each graduate would be allowed two guests.

This event will be well attended, and we recommend that you and your party arrive early. Refreshments will be sold. The parking lot on the east side of the school has been designated handicap parking. Should you, or a family member, need shuttle service to the football field please contact Mrs. Burk's office for assistance at 480-224-2823. Parking with shuttle service will be provided to guests at Weingberg Elementary School and Gilbert Soccer Complex to help with graduation parking. Look for specifics on the website after May 1st.

If you have any questions regarding this year's ceremony, please contact me at any time.

Sincerely,

Joe Greene
Assistant Principal-Curriculum
Perry High School
