

School Supplies

Most of what your child will need this year is provided by Chandler Unified Public Schools. However, if you would like to donate items to the grade level, here are a few items we will use throughout the year:

- Sharpies of various colors
- Pencils
- Duct tape
- Notebook paper
- Graph paper (various measurements)
- 2-pocket folders
- Spiral notebooks
- Note cards (blank or lined of various sizes)
- Ziploc bags (various sizes)
- Paper lunch bags
- Disinfectant wipes (for surfaces)
- Kleenex

There are a few items that we would like each child to have. They can store these items in their backpacks or in a [chair organizer](#).

- Computer mouse - wired or wireless
- Headphones or ear buds
- A stylus for iPads
- A scientific calculator

We'd love to establish a "warehouse" of engineering, building, and art/performance materials. If you come across unique, interesting, useful and appropriate gadgets, gears, or garments that you'd like to donate, please feel free to do so!
