CHANDLER DECA'S HISTORY OF LEADERS

Since the class of 1999, Chandler High DECA has had the honor of having eight Arizona DECA State Officers elected. These officers have dedicated their senior year to serving Arizona DECA and its members. They went through extensive leadership training, presented to thousands of students across Arizona, and upon graduation, went on to attend college and become established in successful careers. One of our own, Ed Trang, has become an integral part of Arizona DECA as his career- Director of Operations for Arizona DECA. As our 2016 Arizona DECA State Vice President pinned our 2017 Arizona DECA State Vice President at an induction ceremony that took place on June 8th, it became apparent to Chandler DECA Advisor, Kim Frahm, what an exceptional group of students Chandler DECA has produced to serve at the highest level of leadership in Arizona DECA. We truly are a School of DECA Champions!
