

Chaparral High School Presents

Selective Colleges Admissions Panel

Monday, November 14, 2016

6:30 - 8:00 p.m.

Chaparral High School Auditorium

6935 E. Gold Dust Ave., Scottsdale 85253

- Panel will consist of local alumni interviewers from Harvard, Yale, Princeton, MIT, Stanford, Dartmouth and University of Pennsylvania.
- The program is most beneficial to underclassmen since gaining admission to a selective college increasingly involves a commitment on the part of the student from early on in their high school career.
- For parents and high school students, there are a lot of questions to ask: Is it worth pursuing acceptance by a selective college? Can I afford it? What will it take for me to gain admission?
