**Dear IMPACT Chandler Scholar:**

Thank you for giving to your community! Community Service is an important aspect of your education and we hope you will make it part of a life-long commitment as well. One of the requirements of the IMPACT Chandler Scholars program is the completion of **100** community service hours after your enrollment in the program.

When you have completed your community service activity, fill out the information below, have your supervisor sign it, and **return the form directly to the Chandler Education Foundation** to be verified and placed in your VCB file. Remember to make a copy of your hours for your own record and portfolio.

**Effective with the Class of 2015 – 35 hours of community service must be completed and turned in to CEF prior to the start of your junior year to remain in the ICS program.** All remaining hours of your completed community service must be submitted or postmarked **no later than April 1<sup>st</sup> of your graduation year.** The Chandler Education Foundation and high school counselors are not responsible for documentation that is lost or does not meet the submission deadline. Please note: effective 7/1/2011, service performed through your religious organization must benefit a broader community and be performed outside of your religious organization’s grounds.
