

Chandler Unified School District No. 80  
Community Education Department  
Junior High School Summer Academy 2017

## ACP OAKLAND

### GENERAL INFORMATION

All Junior High Summer Academy classes are held at:

ACP Oakland

191 W. Oakland St., Chandler, AZ 85225

Dates: Mon., June 5-Fri., June 23, 2017

Temporary Telephone Number: 480-224-3900

Junior High Summer Academy Coordinator: Dominick Capersino

ACP Oakland is a closed campus. Students are not allowed to leave campus between classes. CUSD Food and Nutrition will provide breakfast/lunch each day.

- **ENROLLMENT:** Each student should review his/her transcript with their guidance counselor. After reviewing the transcript, the guidance counselor will pre-enroll students into the courses they've determine are needed for recovery or a good fit for enrichment. An email listing the courses will automatically generate to the student and his/her parents. *PRE-ENROLLMENT DOES NOT GUARANTEE A SLOT IN ANY COURSE.* After receiving the email and reviewing the details, the parent/student will log into their Infinite Campus account to pay for the courses. Please add transportation to your purchase before finalizing payment arrangements. Submitting payment for the course is the only way to secure a slot in the class.

***STUDENTS ARE NOT OFFICIALLY ENROLLED IN ANY COURSE UNTIL FULL PAYMENT HAS BEEN SUBMITTED.***

Please complete the enrollment process early to ensure a space is available in the desired course.

*If you're an out of district student, please complete your information on the following link:*

<https://www.surveymonkey.com/r/SAOutofDistrict>

Cancellations on/before March 31<sup>st</sup>-100% Refund\*\*

Cancellations April 1<sup>st</sup>-April 30<sup>th</sup>-50% Refund\*\*

***NO REFUNDS ON/AFTER MAY 1<sup>ST</sup>.***

**REGISTRATION CLOSES** Thurs., May 26<sup>th</sup>

- **CODE OF CONDUCT:** During the summer session, all students are expected to adhere to Chandler Unified School District's Code of Conduct at all times.
- **DRESS CODE:** Students are expected to adhere to the CUSD Dress Code during Summer Academy. For dress code violations, students are sent to the front office to call home for a change of clothing. Repeat occurrences will result in a parent meeting.
- **TRANSPORTATION:** If you are in need of transportation, please select and add transportation services to your online registration. Students will be picked up/dropped off from their home junior high school then transported to ACP Oakland.
- **BREAKFAST and LUNCH:** Both are served daily with an additional cost. Please refer to your course information for the lunch time.
- **ATTENDANCE & TARDIES:** Students are allowed to miss up to 2 days of Summer Academy. If they miss a third day, the student will be dis-enrolled with no credit earned and no refund. Three tardies equal one absence. Thirty minutes or more late to class equals an absence. Leaving early from a class 15 minutes or more during the day is also equivalent to one absence.
- **MAPS:** Maps of classrooms and locations will be available online and the first day of class at ACP Oakland.

- **FINAL EXAMS:** Final exams are given on the last day. **All students must attend the last day.** An absence on the last day WILL jeopardize credit for the course. All fees are non-refundable.
- **GRADES:** Summer Academy grades will NOT be mailed. Final Grades will be posted to the Student Portal in Infinite Campus. To access the student portal, students/parents will log onto [www.cusd80.com](http://www.cusd80.com) then select "Parents and Students" tab followed by "Parent and Student Portal - Online Grades". Click Infinite Campus Parent and Student Online Portal located in the center of the screen. Student will then enter his/her unique username and password.

User Name -"S" plus your student number

Password - Enter the same password used to log into a school computer

### ***Junior High Transportation***

**Junior High School Transportation:** Students are transported from the junior high school closest to their home directly to ACP Oakland Campus. If a student is not enrolled in two sessions, he/she is not allowed to remain on campus as staff is not available to supervise. Transportation services are not available between classes. *Before submitting the final payment online, make sure you've selected and added transportation to your purchase. Transportation is only provided at the junior high level.*

Course	Cr.	Time	Dates	Capacity	Fees
Junior High Transportation	0.00	See Schedule Online	6/5-6/23	56	\$5.00

### ***Junior High AVID Courses***

**COUNSELOR APPROVAL:** To complete registration for any of junior high courses, students must meet with their guidance counselor who will make all recommendations via Infinite Campus.

**Math 7 (AVID students):** This course is designed to improve and extend student math skills in the following areas: number theory, basic operations (with fractions, decimals, and integers), proportions, percentages, measurement, graphing, statistics, and geometric concepts. Students will use reasoning and communication skills within real-world, problem solving situations throughout the course. *This class is intended for students who are entering 7th grade and are registered for Math 8 during the 2017-2018 school year. This course is also available for any student accepted into the AVID program.*

Course Code	Location	Time	Dates	Fees
AVD700	ACP Oakland	7:30 am- 2 pm (Includes study/homework time) Lunch from 12:15pm-12:45pm	6/5-6/23	\$196

**Math 8 (AVID students):** Algebraic concepts are explored in this standards-based course along with problem solving strategies, geometric concepts, statistical applications, and testing the validity of conjectures. Students will use reasoning and communication skills within real-world, problem solving situations throughout the course. *This class is intended for students who are entering 8th grade and are registered for Algebra I during the 2017-2018 school year. This course is also available for any student accepted into the AVID program.*

Course Code	Location	Time	Dates	Fees
AVD800	ACP Oakland	7:30 am- 2 pm (Includes study/homework time) Lunch from 12:15pm-12:45pm	6/5-6/23	\$196

## *Junior High Math (Non-Credit)*

**Math 7 Prep (Non-credit):** This course is designed to improve and extend standards-based math skills. Students will review and reinforce important concepts from Math 6 which include: number theory, basic operations (with fractions, decimals, and integers), multi-step and variable equations, proportions, graphing, statistics, and geometry. Students will use reasoning, communication and technology to solve real-world mathematical problems. *This course is intended for students who may have struggled in Math 6, require a review of Math 6 topics, or are wanting to further prepare themselves for Math 7.* (This is not for students intending to take Honors Math 7)

Course Code	Location	Time	Dates	Fees
MAT001	ACP Oakland	7:30 am- 2 pm (Includes study/homework time) Lunch from 12:15pm-12:45pm	6/5-6/23	\$196

**Honors Math 7 Prep (Non-credit):** This course is designed to accelerate students' standards-based math skills. Students will quickly review concepts from Math 6 and then proceed to learn and reinforce topics from Math 7 including: analyzing patterns, and representations such as tables and graphs to investigate mathematical models and concepts (perimeter, area, scale, volume). *This course is intended for students entering 7<sup>th</sup> grade who will register for Honors Math 7 (or Math 8). This is also the course for future 7<sup>th</sup> grade AVID students.*

Course Code	Location	Time	Dates	Fees
MAT005	ACP Oakland	7:30 am- 2 pm (Includes study/homework time) Lunch from 12:15pm-12:45pm	6/5-6/23	\$196

**Math 8 Prep (Non-credit):** This course is designed to improve and extend standards-based math skills. Students will review and reinforce important concepts from Math 7 which include: basic operations (with fractions, decimals, and integers), multi-step and variable equations, proportions, percentages, measurement, graphing, statistics, geometry, analyzing patterns, and representations such as tables and graphs. Students will use reasoning, communication and technology to solve real-world mathematical problems. *This course is intended for students who may have struggled in Math 7, require a review of Math 7 topics, or are wanting to further prepare themselves for Math 8.* (This is not for students intending to take Honors Math 8)

Course Code	Location	Time	Dates	Fees
MAT011	ACP Oakland	7:30 am- 2 pm (Includes study/homework time) Lunch from 12:15pm-12:45pm	6/5-6/23	\$196

**Honors Math 8 Prep (Non-credit):** This course is designed to accelerate students' standards-based math skills. Students will quickly review concepts from Math 7 and then proceed to learn and reinforce topics from Math 8 including: order of operations and evaluating expressions, similar figure proportions, converting percentages, equations with distributive property, writing equations, graphing including slope and slope-intercept form, writing and graphing linear equations. *This course is intended for students entering 8<sup>th</sup> grade who will register for Honors Math 8 (Algebra 1). This is also the course for future 8<sup>th</sup> grade AVID students.*

Course Code	Location	Time	Dates	Fees
MAT015	ACP Oakland	7:30 am- 2 pm (Includes study/homework time) Lunch from 12:15pm-12:45pm	6/5-6/23	\$196

### 7<sup>th</sup> Grade Recovery Courses

**Math 7:** Students will improve and extend standards based math skills, including number theory, mathematical operations (performed on fractions, decimals and integers), proportions, percentages, measurements, graphing, statistics, and geometric concepts.

Course Code	Location	Time	Dates	Fees
MAT700	ACP Oakland	7:30am-10:30am	6/5-6/23	\$156

**Language Arts 7:** Seventh grade students will write compositions, which will include personal narratives, short stories, and multi-paragraph summaries that communicate the ideas of non-fiction articles. During reading instruction, students will apply a variety of comprehension strategies.

Course Code	Location	Time	Dates	Fees
ENG700	ACP Oakland	10:30am-2pm (Lunch: 12pm-12:30pm)	6/5-6/23	\$156

**Integrated Science 7:** Students will explore science concepts using an inquiry-based approach with emphasis on the skills of observation and hypothesis generation, scientific testing, and analysis and interpretation of scientific data.

Course Code	Location	Time	Dates	Fees
SCI700	ACP Oakland	7:30am-10:30am	6/5-6/23	\$156

**Social Studies 7:** The seventh grade social studies program focuses on the history of North America from the contributions of early civilizations up to the Reconstruction Period in the United States.

Course Code	Location	Time	Dates	Fees
SOC700	ACP Oakland	10:30am-2pm (Lunch: 12pm-12:30pm)	6/5-6/23	\$156

### 8<sup>th</sup> Grade Recovery Courses

**Math 8:** Eighth grade students will study algebraic and geometric concepts, problem-solving strategies, statistical applications, and test the validity of conjectures.

Course Code	Location	Time	Dates	Fees
MAT800	ACP Oakland	10:30am-2pm (Lunch: 12pm-12:30pm)	6/5-6/23	\$156

**Language Arts 8:** Students will write expository essays that contain effective introductory and summary statements and fully developed ideas with details, facts, examples and descriptions. Students will analyze literary techniques used in poetry, short stories, plays, and novels.

Course Code	Location	Time	Dates	Fees
ENG800	ACP Oakland	7:30am-10:30am	6/5-6/23	\$156

**Integrated Science 8:** Students will explore science concepts using an inquiry-based approach with emphasis on the skills of observation and hypothesis generation, scientific testing, and analysis and interpretation of scientific data.

Course Code	Location	Time	Dates	Fees
SCI800	ACP Oakland	10:30am-2pm (Lunch 12pm-12:30pm)	6/5-6/23	\$156

**Social Studies 8:** In this standards-based course, students learn the ideals, rights and responsibilities of citizenship, and review/analyze the founding documents of the United States government.

Course Code	Location	Time	Dates	Fees
SOC800	ACP Oakland	7:30am-10:30am	6/5-6/23	\$156

## Chandler Academy of Performing Arts and Technology

# Summer 2017 Music and Technology Camp

*CAPA with a "T" returns featuring  
**TECHNOLOGY!***

**What:** The Chandler Academy for Performing Arts and Technology summer camp focuses on band and orchestra performing groups while integrating media and technology. Classes offered this summer are for band and orchestra students, offering courses to enhance and improve musical and personal growth on students' primary instrument. Teachers, special guests and clinicians conduct master classes, sectionals, and courses all focused on improving student performance.

We are also very excited to present classes on responsible media production and music technology. Students learn about copyright, storyboarding, shooting video and stills, editing, and audio capture and production. In addition students learn about how technology can enhance their practicing and performance as well as knowledge of music theory and composition.

Special performing guests are invited to exhibit professional and exciting examples of performance and technology integration.

**Location:** This year, camp is held at one of CUSD's newest campuses, Camille Casteel High School! CCHS, built in 2015, provides students access to new technology and beautiful rehearsal spaces. CCHS is located on the corner of Power Road and Riggs Road.

**When:**

**June 12-15 8:30 – 3:30**

**June 19-22 8:30 – 3:30**

**June 22 Concert @ 6:30 PM at Camille Casteel High School**

**Cost: \$220**

**Who:** This camp is offered to any student who has played a band or orchestra instrument for a minimum of one year. Students should be registered for grades 6-12 for the 2017-2018 school year.

### Register Early!

Word is out about the camp and interest is high.

Register online at [www.CUSDcommunity.com](http://www.CUSDcommunity.com) by clicking "register for a program".

## SUMMER CAMP OFFERINGS

Summer break is a time for cool summer fun! Check out the full-day summer camp experiences we have in store for elementary and junior high students. In addition to our regular camp activities and field trips, Kids Express offers one site that will accommodate the needs of elementary students attending Summer Academy classes. See the table below for details. All summer camp offerings are sure to be a cool hit with the kids, a great way to avoid summer heat, and an opportunity to meet new friends and get the good times rolling!

**Kids Express - Grades K-6 (ages 5-12 only):** Campers will enjoy fun weekly themes, tons of awesome S.T.E.M. projects, active games, team sports, water play, arts and crafts, swimming, movies, fantastic on-site special attractions, and some of their favorite field trips! Each child receives a camp T-shirt and summer survival pack. Get ready for a fun-drenched summer your kids won't soon forget!! See specific locations, dates, and rates below.

Location	Dates	Times	Activities
**Fulton Elementary	<u>Summer Camp Dates</u> June 5th - July 21 <sup>st</sup> (Closed July 4 <sup>th</sup> )	<u>Same for All Sites</u> 6:30am-6:30pm	Bi-Weekly Field Trips and On-site Attractions
Ryan Elementary			Bi-Weekly Field Trips
Andersen Elementary			Bi-Weekly Field Trips
CTA Freedom Elementary			Bi-Weekly Field Trips
Frye Elementary			Bi-Weekly Field Trips

*\*\*Please note: Along with a full regular camp, Fulton Elementary will provide after care and on-site special attractions for students attending Summer Academy.*

**Tween Express - Ages 10-14 only:** Looking for something a little different, a little more social, for your older student? This action-packed camp experience offers field trips galore, plus awesome on-site activities and cooperative projects to keep your 'tween' engaged. Days are filled with team and individual sports, music, air hockey, arcade basketball, foosball, video games, movies, dance, active games, cooking, crafts, building & design projects, and more. See location, dates, and rates below.

Location	Dates	Times	Activities
