5. Why should my student take the PSAT NMSQT?

Scholarship opportunities: Junior year, a high score on the PSAT could qualify your student for the National Merit Scholarship Competition. This may result in thousands of dollars and opportunities to attend a prestigious university.

Free Test Preparation: Save hundreds of dollars on test preparation books or tutoring. The exam provides a detailed score report. Your student can link their scores to Khan Academy to create an individualized SAT test preparation program free of charge. Your student will have access to [BigFuture](#) (College, Major, and Career Search engine) and access to [Career Finder](#) (creates career roadmaps).

Practice, Practice, Practice: Multiple exposures to the PSAT will prepare students to take the SAT at the end of their junior year. This is often the first experience students have with a timed standardized test.
