Communication

Follow the directions below to sign up with Bloomz. We will use Bloomz as our main form of communication. We also encourage students to message us on Bloomz if they need something. You can always email us, but you will probably get a faster response if you message us through Bloomz. Email would be the next best thing...remember to include both of us on your emails.

Once you have read this letter please contact us with questions!

Please join WGA 5th Grade class on Bloomz!

Bloomz is a new app that works both on your smartphone as well as on your computer. You will receive quick updates and photos of class activities, be able to access our class calendar, and more. All in a private and secure environment.
