

5th Grade Suggested Supply List

- 2 inch binder, 3-ringed
 - This will be needed for in-person schooling, but we highly suggest using it for distance learning so students can start the year in an organized way.
- page protectors
 - These help to keep frequently used handouts organized and neat. They aren't necessary for distance learning, but they will need about 10 of them throughout the year for in-person schooling. You can get just enough for your child and/or donate some to the class.
- 3 different highlighters (yellow, pink, and orange—stay away from blue)
 - They will need these for both in-person schooling and distance learning.
- 8 subject divider tabs (big tab, insertable, plastic tabs only please)
 - These will help to organize handouts and assignments for the following subjects: Reading, Writing, Spalding, Math, Science, Social Studies, Grammar, and Homework. Just like with the binder, these are not necessary for distance learning, but they will be needed for in-person schooling.
- Pencils
 - Ticonderoga pencils are the best. Please make sure your child has an abundant supply of their own pencils at home and in their backpack once in-person schooling resumes.
- pencil top erasers
 - These are needed for both in-person schooling and distance learning.
- black dry erase markers
 - These will be needed for in-person schooling.
- earbuds (optional-some kids prefer their own earbuds for comfort reasons)
 - These are used for spelling tests and other computerized testing. They will be used for both in-person schooling and distance learning.
- Kleenex
 - These are needed for in-person schooling.
- flash drive
 - Most saving/sharing can be done electronically, but they will need a flash drive for science fair when in-person schooling resumes.
- baby wipes
 - These are needed for in-person schooling. Students will use these to help clean up desks after working on various art projects.
- blue and red ball point pens
 - The red pens will be needed for both in-person schooling and distance learning. The blue pens will be needed for in-person schooling.
- hand sanitizer
 - This is needed for in-person schooling.
- Clorox wipes
 - These are needed for in-person schooling.
- paper towels
 - These are needed for in-person schooling.
- Gallon Ziploc bags
 - These are needed for in-person schooling.
