MAT100A Algebra 1

SY 2023-24

Course Overview

Course Description

This course is the first year of a standards-based mathematics curriculum. Number sense topics include understanding and applying for numbers, ways of representing numbers, and the relationships among numbers and different number systems. Data analysis focuses on understanding and applying data collection, organization, and representation to analyze and sort data. Algebra topics focus on representing and analyzing mathematical situations and structures using algebraic expressions. Geometric topics include specifying and describing spatial relationships using coordinate geometry and other representational systems. Design and logic focus on algorithms and algorithmic thinking and using reasoning to solve mathematical problems in contextual situations. Students will use the standards for mathematical practice to engage with the subject matter

Student Conduct, Success, and Responsibilities

Student Handbook

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at cusd80.com/handbooks. Printed copies will be provided upon request.

Student Responsibilities

- Be respectful to yourself, your classmates and your teacher. This includes having respect for any property or belongings of your classmates and teacher.
- Come prepared to learn with your required supplies.
- Complete assignments and assessments on time.
- All work turned in must be your own work. You may not assist anyone in being dishonest on their work. If it is established that a student was dishonest or was involved in a dishonest act on an assignment/assessment, they will receive a zero and be administered a referral.
- The misuse of technology (cellphones, smart watches, earbuds, etc.) in the classroom will result in confiscation of the technology, and when necessary, will be given to security. Once technology is given to security; a parent must come to the office to pick it up.
- Phones may be collected at the beginning of class since students are provided with technology.

Late work

A 30% penalty will be administered to late work. Late work is only accepted within the unit it was assigned.

Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

Grading

Grade Percentage

A	B	C	D	F
90% - 100%	80% - 89%	70% - 79%	60% - 69%	<60%

Quarter grades

- Assignments (15%)
- Assessments (85%)

Semester grades

Semester grades are calculated using 40/40/20: Each quarter accounts for 40% of the semester grade and the final exam accounts for the remaining 20%.

Units of study

Units for MAT100A Algebra 1

Unit 1: Equations and Inequalities

Unit 2: Relations and Functions

Unit 3: Linear Functions

Unit 4: Linear Systems

**An asterisk will indicate a unit of study containing sexually explicit materials per legislative definitions.*
