

evit

COLLEGE AND CAREER

25 -26 New Student

Connection

CONGRATULATIONS!

School starts
Wednesday,
July 23rd!

What you need to know...

Transportation:

Buses provided by school (pick up and drop off times will vary).
Any 4 hour programs must provide their own transportation.

Parking is available on both EVIT campuses. A parking pass can be purchased for \$60 during Fee Days or when school starts.

What you need to know...

OFI Days:

June 9th - 12th from 8am to 5pm at the Main Campus

This is an opportunity to pay your fees before school starts. You can pick up your uniforms/supplies and purchase a parking pass. There is financial assistance for supply fees if needed.

What you need to know...

Schedules:

You should have received your schedule so you know where to go on the first day of school. Your HS counselors have that information and can assist you if something isn't correct or you need to make a change.

If you haven't received anything, please check your email and then contact your counselor.

What you need to know...

Professionalism:

Remember that EVIT is preparing you for a career after high school. You will be required to wear a uniform and you may have other dress code items depending on your program.

Attendance is important! If you miss too many days, you may not be able to complete the program.

What you need to know...

FOCUS/Canvas:

FOCUS is our student information system. This will be where you can check your schedule, look at your absence total, and review your grades.

Canvas is the program that we use for classroom assignments and assessments.

You will be receiving an email with your username and password as well as instructions on how to access the portal in your personal email.

*Students must bring their home school device to use at EVIT.

Welcome to EVIT!
