MEET THE STUDENT TEACHER

Megan Ouellette

About Me

Hi, I'm Megan Ouellette and I'm a 21-year-old ASU student. I am originally from Bergen County, New Jersey. I grew up with 3 much older half-siblings, including a sister 19 years older than me who is also a special education teacher. She really helped me find my passion by bringing me into her classroom with her, and eventually having me babysit her children once she had them.

Me in 2nd Grade!

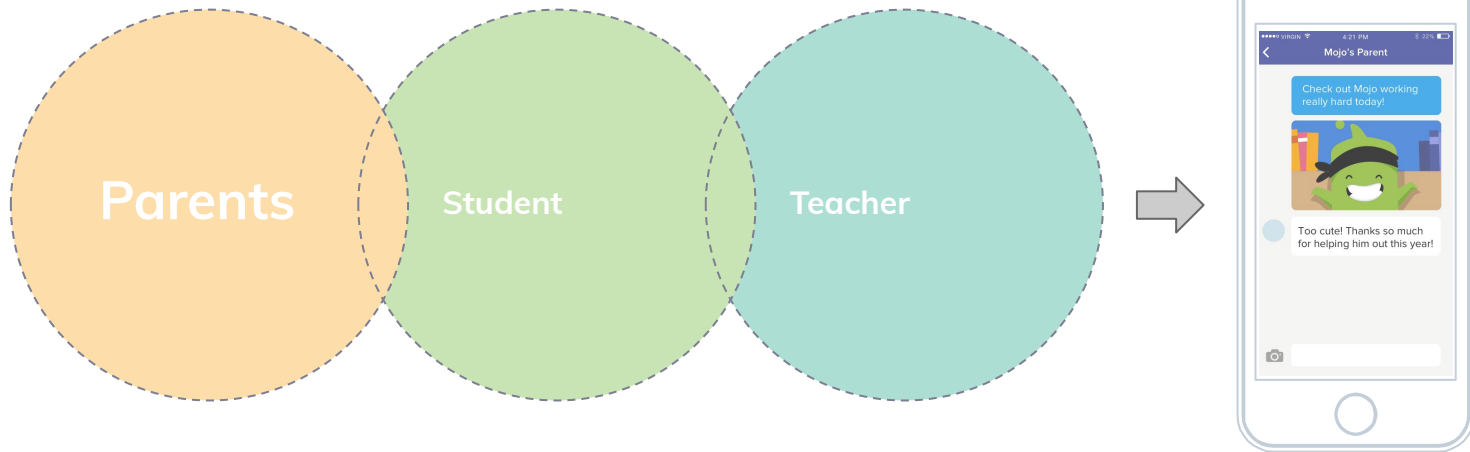

Major

I am currently a senior at ASU in a dual degree program for elementary and special education.

Other previous childcare work:

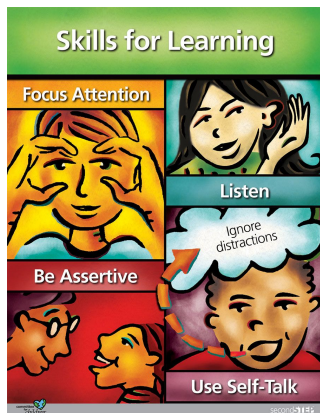

- Began babysitting out of the family at age 13
- 2015-2019 Camp Counselor in my hometown.
- 2018 After-school care at a private school
- 2021 Camp Counselor at Mesa Summer Camps
- My spring 2022 placement was at Desert Canyon Elementary, where I was in a self-contained classroom with 9 students ranging from kindergarten through 5th grade.

WE ARE A COMMUNITY

“Education is a **shared** commitment between dedicated **teachers**, motivated students and enthusiastic **parents** with high expectations.”

Bob Beauprez
