Broken Arrow

**GO ON AN ADVENTURE
WITH US AND THE HORSES**

Broken Arrow Wranglers, Shine His Light, and Equine Connections have come together to offer this to students in the Chandler Unified School District. A different path. A call to adventure. An alternative approach to mental health care.

- ✓ Bond with each other and horses.
- ✓ Recognize your not alone.
- ✓ Hands-on with horses.
- ✓ All cost covered by the Common Spirit grant.

We give kids an opportunity to grow in confidence within self, in a safe environment that allows them to be vulnerable so they can work through their struggles. This isn't just therapy. It's an opportunity for their authentic life and self to be seen. We give them tools and teach them how to see their uniqueness so that they can go back to their environment and live out who they really are.

Launching this May 2025, 6 week, one evening a week, 90 minute group held at Equine Connections in Gilbert. The 6th week is an opportunity to experience what your kids went through. Parents, teachers, friends, principals, and community leaders are invited to celebrate on the final week's culminating event.

NICK AND KELLY CHILDREN'S HEART CAMP

DEL LUNES 21 DE JULIO AL
VIERNES 25 DE JULIO DE 2025

¡Un lugar donde niños que padecen de enfermedad del corazón pueden tener el mundo en sus manos!

La fundación de corazón Nick y Kelly cubre los gastos de viaje y la matrícula de campamentos para niños de Arizona de 7 a 17 años, que padecen defectos cardíacos congénitos.

En el campamento, los niños con defectos cardíacos pueden encontrar consuelo y convivir con otros en su ambiente similar de vida. El campamento ofrece un ambiente positivo y cultivan amistades duraderas. Es una experiencia transformadora que ha demostrado mejorar la autoestima de los niños.

Los campistas disfrutaran de varias actividades como escalada en roca, tirolina, natación, equitación, kayak, lanzamiento de hachas, ¡y mucho más!

¡Invitamos a voluntarios adultos que disfruten una semana con nosotros en los Pinos! ¡Se anima a los voluntarios del campamento que tengan al menos 19 años a presentar su solicitud!

Evolve Counseling & Behavioral Health

Child Counseling Services

At Evolve Counseling, we offer specialized child therapy services designed to support children as young as age 3 through emotional, behavioral, and relational challenges. Our highly trained therapists use developmentally appropriate, evidence-based methods to help children and their families navigate this critical stage with confidence and care.

Our child counseling services include:

- Individual child therapy
- Play-based therapy (directive & non-directive)
- Parent-child relationship therapy
- Emotion coaching
- Attachment-focused therapy
- Family support and developmental guidance

We support children struggling with a wide range of issues, including:

- Behavioral concerns (tantrums, aggression, defiance)
- Emotional regulation difficulties
- Anxiety, including separation anxiety
- Attachment issues
- Trauma and loss
- Social skills and peer relationship challenges
- Family or school-related stress

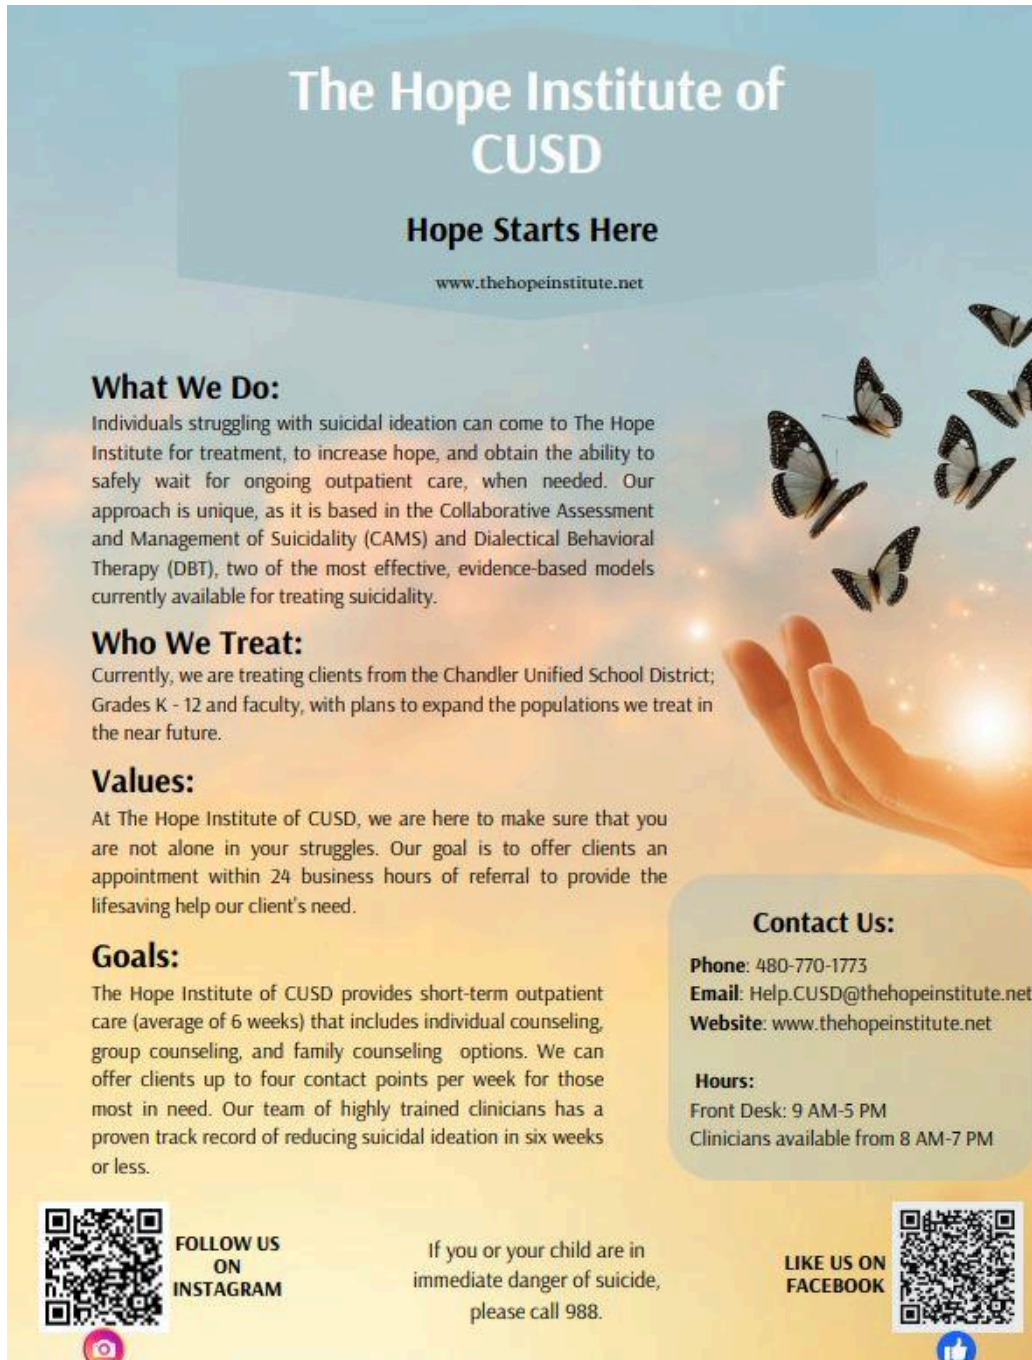

At Evolve Counseling, we take an integrative, holistic approach to working with young children. Sessions often combine therapeutic play techniques, skill-building exercises, and evidence-based strategies that are tailored to the child's unique developmental stage and emotional needs.

We also believe that caregiver involvement is essential to a child's progress. That's why we provide regular parent coaching and guidance to help caregivers implement supportive practices at home — ensuring the therapeutic work continues between sessions and creating more meaningful, lasting change.

If your child is facing emotional or behavioral challenges, know that you're not alone — and support is available.

The Hope Institute of CUSD

Hope Starts Here

www.thehopeinstitute.net

What We Do:
Individuals struggling with suicidal ideation can come to The Hope Institute for treatment, to increase hope, and obtain the ability to safely wait for ongoing outpatient care, when needed. Our approach is unique, as it is based in the Collaborative Assessment and Management of Suicidality (CAMS) and Dialectical Behavioral Therapy (DBT), two of the most effective, evidence-based models currently available for treating suicidality.

Who We Treat:
Currently, we are treating clients from the Chandler Unified School District; Grades K - 12 and faculty, with plans to expand the populations we treat in the near future.

Values:
At The Hope Institute of CUSD, we are here to make sure that you are not alone in your struggles. Our goal is to offer clients an appointment within 24 business hours of referral to provide the lifesaving help our client's need.

Goals:
The Hope Institute of CUSD provides short-term outpatient care (average of 6 weeks) that includes individual counseling, group counseling, and family counseling options. We can offer clients up to four contact points per week for those most in need. Our team of highly trained clinicians has a proven track record of reducing suicidal ideation in six weeks or less.

SOAR Autism Center

An integrated, multi-disciplinary,
naturalistic therapy clinic for
young children with autism and
their families

Integrated Care: All providers are in one center. We offer naturalistic behavior therapy (ABA), speech therapy, occupational therapy, and mental health support. Working together, our team coordinates daily for your child.

Naturalistic Therapy: Our clinicians are trained in the Early Start Denver Model (ESDM). In turn, your child will receive a leading play-based form of ABA therapy that helps children grow and learn.

Whole-Child Care Philosophy: We embrace the neurodiversity of children with autism. We see our children as whole and unique beings and craft therapy plans to help them reach their potential.

Diagnostics Available: We provide diagnostic services through licensed and trained psychologists. This helps reduce the long wait lists that are common for families.

10 Locations Across Maricopa & Pinal Counties: We operate a number of centers across the metro Phoenix region. In turn, we can serve families across a broad set of neighborhoods in the city.

Insurance Accepted: We're in network with most Arizona health insurance plans. For instance, we take Aetna, Anthem, Blue Cross Blue Shield, Cigna, Kaiser, United (Optum), and several AHCCCS plans.

Our Care Philosophy

We believe in the potential of all kids with autism, and we respect and value them for who they are.

We see autism as having neurodevelopmental, not behavioral, roots.

We focus on learning through play, particularly for young children.

We collaborate to drive the best outcomes for the child.

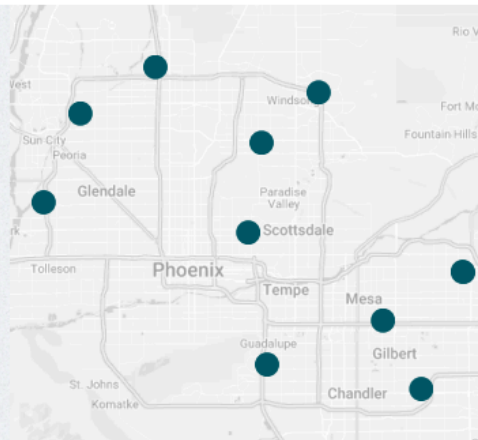

We follow the scientific evidence.

We are transparent about our performance and always strive to improve.
