

Tech-Tac-Toe

You don't need to connect 4 in a row... But it makes it more fun!

Create a Summer Safety poster (Use a blank PowerPoint slide)	Record a video of yourself giving a tour of your home	Play a videogame against a friend online	Code.org Hour of Coding www.code.org/hoc
Send an email to a teacher	Keyboarding Practice on Learning.com	Create a PowerPoint about your days at home	Type a script to a play and perform it for your family
Complete a new lesson in your Digital Literacy library (from Clever)	Play a game on abcya.com	Go on a virtual tour of a park or museum	Use a drawing program to design a summer outfit
Research an animal and type 3 fun facts about it	Type a unique story. Share it with a friend.	Create a survey and enter your information into Excel. Create a graph.	Complete the Google a day challenge www.agoogleaday.com
