

Welcome back to a new school year! This year will look considerably different from previous ones, but we want you to know we're here for you and will do our best to communicate promptly. This document has been created to answer common questions we have received from parents.

**Is my child's schedule up to date?**

Schedules should be finalized by Tuesday. Although student schedules have been released in Infinite Campus, changes may occur between now and then.

**Where do I find my child's schedule?**

Your child's schedule can be found in Infinite Campus. Counselors are still making updates to accommodate for social distancing upon our return to in-person instruction. Please make sure you double-check your child's schedule in Infinite Campus on Tuesday evening.

**How does my child log on to Google Classroom?**

Students will log on to Google Classroom with their student ID numbers. Their passwords have been reset over the summer. All passwords are s + student id + !

For example: Login: s123456@gse.cusd80com

Password: s123456!

**What if my child's Infinite Campus schedule and Google Classroom do not match up?**

The most current version of your child's schedule will be located in Infinite Campus.

**How does my child participate in Google Meet?**
