PROGRAMS

E-Cigarette Awareness

This topic will focus on educating parents about the common myths and perceptions students have surrounding vaping and the use of e-cigarettes. Coordinators will provide information on the evolution of e-cigarettes and the dangers associated with the device and the chemicals people are inhaling when using them.

Opioid Awareness & Prevention

This presentation focuses on the opioid epidemic plaguing Arizona. We will discuss numerous topics relating to how opioids can negatively affect students. Placing heavy focus on prevalence, prevention, and support.

Suicide Prevention

This presentation addresses the teen suicide epidemic at both statewide and national levels. We discuss what to do when someone talks about ending their life, tools that help alert us to the warning signs and learn about risk and protective factors for youth suicidality. We will also provide the helpful resources for further guidance.

Cyber Safety

This presentation covers general topics related to social media and some helpful information for parents. We cover sexting, cyber-predators, cyber-bullying, popular apps and social media websites.

Human Trafficking

This presentation discusses the crime of human trafficking, how traffickers find their victims, and steps teens can take to protect themselves. We also provide real-life examples of human trafficking in Arizona and explain what you should do if you suspect someone may be a victim of human trafficking.

Anti-Bullying

Addresses the different types of bullying, how it's affecting our youth, and preventative measures parents can take. We explain why teaching kindness and being empathetic is important and the relationship it has with bullying. We also give tips to parents on how to help their child become resilient to criticism.

Young Consumers

Addresses how young adults can be safe consumers and avoid becoming victims of scams and identity theft. We provide an overview on how to safely apply for credit cards, car loans, and student loans, as well as first-time car buying tips.

Consumer Scams

Don't get taken by a con artist or get stuck in another bad deal from a questionable contractor. Presenters will cover the most common scams in Arizona, tactics fraudsters use to steal your hard-earned money, and red flags. Explore the recent COVID-19 scams that have swept through Arizona since the outbreak began. Attendees will be equipped with valuable prevention techniques and information about how to report consumer fraud.
