Don't give up.
I believe in you.
a person's a person no
matter how small.

- Dr. Seuss

This is my 12th year
teaching.

I went to college at
University of Wisconsin-
Milwaukee

If I wasn't a teacher, I
would be

Sad ☹ It's all I have ever
wanted to do.

The best thing about
teaching is

Getting hugs from kids
and seeing their love of
learning grow.
