Dear Weinberg Families,

It is now official that the name of our new school is Robert J. C. Rice Elementary. Students shared their thoughts on a mascot. Staff also gave their input and the mascot for Rice Elementary is the rhino. The rhino symbolizes strength and steadfastness. It also draws our attention to endangered animals. Students have been asked to submit drawing for the mascot logo. Drawings may be done at home or school and must be turned in by February 28th. The school colors are Kelly green, navy blue and silver.

February 3th-7th is recognized as National School Counseling Week. Ms. Sarah Evenhus is our amazing counselor. She works closely with students to support and help them navigate social interactions as personal challenges. Her passion for students is undeniable and she is loved by students and staff.

Parent teacher conferences are around the corner. Working collaboratively ensures student success. Thank you for making your child(ren)'s education a priority. We look forward to sharing our students' growth as well as the plan to provide additional support for those who need extra help.

STEAM Night is on Feb. 6th. The students are eager to share their science projects. We will have a variety of activities and vendors for everyone to enjoy. A lot of work has gone into making this a fun evening for all and I look forward to seeing you.

Warmly,
Shirley Mathew
Principal

AZ MERIT TESTING

PLEASE MAKE SURE TO HAVE YOUR STUDENTS HERE AND ON TIME

Please mark your calendars. It is important to have students at school. Please avoid scheduling any appointments during this time. Once a test is started it is critical that a student has the time to finish it. If a student stops in the middle of a test, they are graded on the part of test that has been completed only. They will not have the opportunity to complete it at another time.
