NOVEMBER 2019

Dear Wrangler Families,

It seems like we went from extreme heat to chilly weather in the blink of an eye. However, at Weinberg, our work has been steady, consistent, and focused.

The Arizona Department of Education released the school letter grades. I am very proud to share that Weinberg earned an 'A' grade. Congratulations to our students and faculty. Excellence is achieved through everyone's commitment and hard work. I would like to acknowledge our staff who work tirelessly to ensure all students are learning and making progress. Their consistent collaboration to identify and use effective instructional practices are some ways they ensure student progress. To our parents and guardians, thank you for making education a priority. We appreciate all you do to ensure students are in school every day, for helping with homework, monitoring grades, and remaining in communication with teachers. To our students, your hard work has paid off. Always seek to know, to understand, to be willing to put forth the effort, and follow your passion.

You may have seen the sign for our new school. This is an exciting time for all of us. The land has been purchased and was being cleared last week for construction. Our Governing Board will select a name for the school. It will be fun to involve our students in the selection of a school mascot. Here's a fun fact. Is this school #31 or #32? Currently there are 30 elementary schools in CUSD. So our school will be the 31st elementary school. However, this is the 32nd elementary school CUSD will be building. Erie Elementary was repurposed to what we now know as ACP Erie.

Scroll all the way down to enjoy the many wonderful things happening at Weinberg.

It is our goal to assist you when possible with special celebrations and recognition for your child(ren). We strongly encourage non-edible treats such as bookmarks, pencils, special erasers etc. to celebrate birthdays. STUDENT CELL PHONES & CELLPHONE WATCH

We understand that you may feel that it is necessary for your child(ren) to carry a cell phone on a daily basis and would like to remind you of the cell phone policy. Per Chandler Unified District policy, cell phones are allowed if they are turned off and left in student backpacks throughout the school day. Students are not allowed to use their phones to text. This includes cell phone watches. We can accommodate the needs of students throughout our campus with a phone to use. All they need to do is ask for permission.

Failure to abide by this policy will result in the confiscation of the phone. Thank you for your cooperation.

TRAFFIC

When using the drive through lanes, please remain in your cars as you pull forward along the curb where students load and unload.

Kinder parents - we ask that you do not stop at the curve by the kinder playground. This causes more cars to be lined up in the street. Please pull forward all the way, and our safety patrol and staff will make sure the children reach the playground.

Also, please avoid parking next to the red curbs. We have added a "red curb – no parking" area in the west and east parking lots. Our large vendor and district delivery trucks need that room to safely enter and exit the parking lots. This is also a fire lane designated for emergency vehicles.

PARKING

During school hours, you can park along the yellow painted area known as the "student drop-off and parent pick-up" curbing. This is only for the hours between 8:50AM-2:00PM. This may be helpful for many of you who are coming to volunteer and visit.

Fall Celebrations

5th graders in Mrs. Garibay's class demonstrating the simple machines they built to hoist a pumpkin.

2nd graders in Mrs. Smith's class celebrating all they have learned about bats.
