All schedule change requests must be submitted online via the Casteel website on the "Colt Days" tab beginning Tuesday, July 11. Changes to electives that were selected during registration will NOT occur as students were placed in elective courses they selected during registration (either top or alternate choices if the top choice was full). Schedule corrections will be done for the following reasons only:

- ◆ A failure in a core course that necessitates repeating
- ◆ A course on your schedule that was taken during summer school
- ◆ A graduation requirement is missing from your schedule
- ◆ A schedule that is incomplete (i.e., less than six classes, four for Seniors)
- ◆ No schedule
