Student Conduct, Success, and Responsibilities

Student Handbook

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at cusd80.com/handbooks. Printed copies will be provided upon request.

Student Responsibilities

Each quarter students will be required to:

- 📅 Regularly attend class.
- 📅 Complete assigned homework and come to class prepared to learn!
- 📅 Actively participate in class discussions and group/partner conversation activities.
- 📅 Be on-task during class time. This means working on the appropriate assignments and class work during the class period.
- 📅 Complete assigned writing assignments (Compositions).
- 📅 Adequately prepare for quizzes and tests.
- 📅 Complete project and be prepared for in class presentations.
- 📅 Check your IC grade and Google classroom feedback regularly.
- 📅 BE AUTONOMOUS! TAKE RESPONSIBILITY FOR YOUR LEARNING!

Technology:

With the 1:1 technology initiative, it is the responsibility of the student to bring their fully charged laptop to school every day. Technology is a tool no different than a pencil. Like all school supplies, students are expected to have the supplies needed to learn.

Discipline Protocol:

It is the expectation that students hold themselves to high standards. The teacher will address students who are not meeting these expectations. Typical classroom behaviors consequences these are the standard progression for discipline:

1. A warning
2. A warning with a phone call
3. A Parent-teacher conference
4. A referral.

📅 Our goal is to work with families to ensure that all students have a safe and focused learning environment.

Tardy Protocol:

Students are expected to be in their seats when the bell rings and ready to learn. If a student is tardy to class teachers will follow this progress to rectify students being late to class.

1. A warning on their first and second offense.
2. The teacher will email / call home.
3. Notify Attendance Interventionist and email / call home.
4. On the fifth offense, the teacher will refer the student to our Attendance Interventionist, who can work with families and assign Saturday school if necessary.

📅 The teacher has the option to provide their own lunch detention at their discretion instead of writing a conduct referral.

Food & Drink:

There is no food or drink allowed in the classroom, EXCEPT WATER.

Finals:

Final are not given early. Absent students will receive a zero until they can take the final exam.

Cheating

Cheating of any kind (yes, plagiarism is cheating) will not be tolerated. Copying another person's work, allowing another student to copy your work, or turning in as your own work that was done by another person all constitute cheating. Using translators online or otherwise is also academically dishonest and is considered cheating. Please refer to the CCHS handbook for more information regarding the school's policy regarding cheating and the consequences for cheating.

STATEMENT CONCERNING PLAGIARISM: Plagiarism is defined as presenting the work of another as one's own. More than four consecutive words from a source other than the writer constitute plagiarism when the source is not clearly identified in appropriate documentation format.

From the CGCC Student Handbook: "Plagiarism includes, but is not limited to, the use of paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials."

Consequences

If you do not meet classroom expectations as outlined in the syllabus and the CCHS Handbook, the following actions will be taken:

1. Verbal warning
2. Call home to parent/guardian
3. Referral to administration

Late work

In order to succeed in this course, it is imperative that students complete all of their work. The goal is for all students to complete all of the work to gain the knowledge/skills for the assignment. As such, the following late work policy will be implemented in this course for all class assignments and projects:

1-3 days late= 25% off

4 or more days late=50% off

Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

Quarter grades

Student grades are available to view online in Infinite Campus and will be kept up to date.

Please monitor your grade throughout the semester so that you always know exactly where you stand.

The district has adopted 40% / 40% / 20% grading policy. This means that Quarter 1 is worth 40% of your semester grade, Quarter 2 is worth 40% of your semester grade, and your final exam is worth 20% of your semester grade. Likewise, Quarter 3 is worth 40%, Quarter 4 is worth 40% and the final exam is worth 20%.

Final/Semester grade distribution is as follows:

A 100–90

B 89–80

C 79–70

D 69–60

F Below 60

Quarter grades are broken down as follows:

Quarter grades will be calculated by using a combination of formative and summative assessments given throughout each quarter. Each quarter, 50% of the grade will be derived from formative assessments, and 50% of the grade will be based on summative assessments. These grade categories and the activities that correspond to them are designed to allow us to practice and assess student progress in each of the language modalities: reading, writing, speaking, listening as well as knowledge of the culture(s) associated with the language.

Formative (50%)

Homework 10%

Classwork/Participation 20%

Quizzes (min. 4) 20%

Summative (50%)

Compositions (2) 10%

Unit Tests (1) 15%

Oral Exams (1) 10%

Presentation (1) 15%

Homework (10%)

Homework will be scored for completion contingent upon quality work. The teacher can request a re-do as deemed necessary. There will be a variety of homework assignments made throughout the quarter. Homework should be completed and turned in at the beginning of the class period in order to receive credit. In addition, we will be using Google Classroom throughout the year and will have at least one assignment per week in Google Classroom.

Class work / participation 20%

Weekly participation 10%

Class participation will be graded weekly. Given the communicative nature of our course, regular class attendance is essential to student success. To earn maximum participation points, students must be actively engaged in class. This means coming to class prepared, being on task and working on appropriate assignments, participating in class discussions and conversation practice, making an effort to answer questions from the teacher, being respectful to classmates, turning in all collected class work, and speaking the target language. Points will be determined by self-evaluation and teacher feedback.

Daily activities 10%

Students will engage in on-going activities in listening, reading, writing, speaking, and developing cultural competence. These activities are often integrative, and the point values for each will

reflect the effort required for successful completion.

Quizzes (20%)

Quizzes will be given regularly throughout the quarter and will cover topics being covered in class. Quizzes will generally be short in nature. Occasionally quizzes will be announced, but generally they will be pop-quizzes. Quizzes may be given at the beginning of the hour, so don't be tardy!

Compositions 10%

There will be a targeted writing assignment every quarter to help students develop their abilities with writing in German. These compositions will be completed in two stages. The teacher will grade the first version and give corrective feedback to each student. Each student will then have the responsibility to revise their composition and turn in a second version to their teacher. Students will highlight any corrections that they have made on their second draft and turn it in stapled to the first version. Your final composition grade each quarter will include the percentages from each version. Version 1 is worth 60% and version 2 is worth 40%. If you decide to turn in only one version, the maximum that you will be awarded is 60%. Compositions are to be typed, double spaced, 12 pt. font.

Unit Tests (15%)

At the end of each unit/chapter we will have a unit test covering the material that we have studied. These tests should take the bulk of the class period. All of the tests will be announced in advance. If you miss a test due to an excused absence, please contact the teacher to schedule a make-up.

Oral Exams (10%)

A major assessment of your speaking abilities will be conducted once per quarter, providing you with an opportunity to demonstrate your abilities to communicate about everyday topics and situations in German. This assessment may be conducted as an interview between you and the instructor or as role-plays performed between you and a classmate.

Presentation (15%)

Each quarter students will be responsible for preparing a "Research project" and presenting their work to their classmates. Research topics will be provided by the teacher and will be related to the information that we are studying in class.

Semester grades

Semester grades are calculated using 40/40/20: Each quarter accounts for 40% of the semester grade and the final exam accounts for the remaining 20%.
