

# MEET THE TEACHER!

## The Scoop

My name is Lisa Romero and I am so excited to be your child's teacher for the 20-21 school year. This will be my 4th year teaching 4th grade and I absolutely love it! I have been married for 6 years and have two beautiful children that I adore so much! Noah is 3 and I love to share stories of life with a super active and imaginative toddler. Athena will be 3 months on August 1st and she is such a darling happy baby!

## My Career

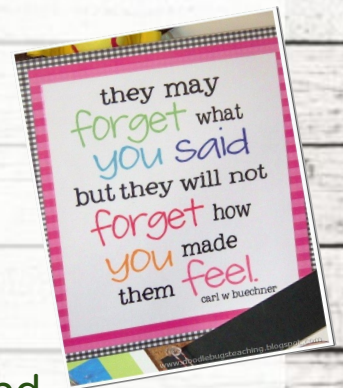

Previous to becoming a teacher, I worked in Financial Aid for 6 years at University of Phoenix and Everest University. After that, I became an Account Manager for General Mills at Swift Transportation for 4 years. Shortly after I donated my kidney to my brother, I realized my passion of helping others would not stop there. I enrolled in evening school and little by little I worked towards my degree in Elementary Education.

## Team Work

Communication is essential for a successful school year. Please feel free to contact me any time.

Email: [romero.lisa@cusd80.com](mailto:romero.lisa@cusd80.com)

Class Dojo: Is another form of communication I like to use that is done from an App or Website. Once the school year begins you will see how useful this tool can be.

## Background

I was born and raised in Chandler, Arizona. I completed K-12 in the Chandler Unified School District. I am blessed with a big family from both my husband and my side. I am the youngest out of 4 children. Having such a supporting and loving family helped shaped me on who I am today.
