A Little Bit About Me

Hello! My name is Ms. Montiel, and I am the new school counselor at Fulton Elementary. I am also new to the state of Arizona, I am originally from Texas and I am honored to join the amazing team of educators at Fulton. This will be my second year as an elementary school counselor. Prior to becoming a school counselor, I taught 6th and 7th grade science. My expectations for this upcoming school year will be filled with fun, lots of learning and new adventures!
