

# Cortex Crew News

Hello parents!

Can you believe it's been over a month since school started? Your students have been hard at work building their robots and our tournament season is about to begin. This newsletter is the first monthly newsletter that will be sent home to all VEX Robotics parents. There's a lot of important information, including details about our upcoming tournaments. Read on to find out what's happening in Bogle Robotics!

## Upcoming Tournaments:

### Chandler Invitational

- **Date:** November 2, 2019
- **Start Time:** 7:30 am
- **Location:** Payne Jr. High  
7655 South Higley Road  
Queen Creek AZ, 85142

### Microchip

- **Date:** December 7, 2019
- **Start Time:** 7:30 am
- **Location:** Microchip Technology  
2355 W. Chandler Blvd  
Chandler AZ, 85224

## Fall Break

Students who want to work on their robots over Fall Break are allowed to take them home and work on the bot, provided they meet these requirements:

- Must check out the robot and parts bin from Miss Mohrweis.
- Must return robot and parts on Tuesday October 15.
- Must have at least 2 teammates willing to meet and work on the robot with them. VEX is a team activity. 😊

### Remind App

We will be using the remind app as tournament season approaches. Remind will be used to send out messages about things like tournament parking, where our pit table is located, etc.

If you haven't joined Remind, please consider signing up.

Shout out to our student marketers! They are making business cards for their teams to hand out at tournaments and have come up with some fantastic designs.

Pick a way to receive messages for Bogle Tournament Robotics:

**A** If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

[rmd.at/efk6be](http://rmd.at/efk6be)

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

**B** If you don't have a smartphone, get text notifications.

Text the message @efk6be to the number 81010.

If you're having trouble with 81010, try texting @efk6be to (614) 767-5276.

\* Standard text message rates apply.

Want to help out the VEX Club? We also accept item donations. We have a VEX wish list on Amazon that can be found here:

[https://www.amazon.com/hz/wishlist/ls/R3J3AR8U1B8J?ref=wl\\_share](https://www.amazon.com/hz/wishlist/ls/R3J3AR8U1B8J?ref=wl_share)

This month students have been hard at work on their robots. Students chose their teams and started by making a sturdy Chassis that can roll. In class they raced the robots to see how fast they could go! Now our kids are working on perfecting their wheel movement and adding a mechanism to lift up the Tower Takeover cubes. These future engineers are coming up with some amazing ideas and demonstrating wonderful teamwork!

### Thank you to this year's Sponsors!
