

## Guardianship Clinics

**Do you need legal guardianship for the grandchild you are raising?**

---

**Come to Duet's free-of-charge Guardianship Clinic to get the help you need!**

If you are raising a grandchild or other minor relative, you will need formal custody to obtain benefits such as health care, or to enroll the child in school. The legal process to gain custody can be complex and overwhelming. During each free clinic, a volunteer attorney will guide you through the guardianship petition. Attorneys will only provide legal advice and answer questions regarding uncontested guardianship.
