

Education and Career Action Plan (ECAP)

Chandler Early College

What is an ECAP?

On February 25, 2008 the Arizona State Board of Education approved Education and Career Action Plans for all Arizona students grades 9-12. An ECAP (Education and Career Action Plan) reflects a student's current plan of coursework, career aspirations, and extended learning opportunities in order to develop the student's individual academic and career goals.

How does the ECAP benefit the student?

Personalized planning helps students reach their academic and career goals and can positively impact their achievement. Students learn how to set and achieve goals. It helps them to understand how their education is relevant in achieving their career goals. It helps them to create a vision for their future and ultimately helps them assume responsibility for their own learning.

What is a Four-Year Plan?

A four-year plan will map the classes that you are going to take or have taken. It will confirm that you will have the needed 22 credits to graduate, but also that those 22 credits are in the required areas.

What credits do I need to graduate?

The following is a list of the graduation requirements for Chandler Unified District and how they compare to the Arizona University entrance requirements (all students must also pass the Arizona Civics test to graduate)

Requirements	Chandler Unified School District Graduation Requirements	Arizona University Entrance Requirements
English	4 credits	4 credits
Math	4 credits	4 credits
Science	3 credits	3 credits
Social Studies	3 credits	2 credits
Fine Arts/CTE	1 credit	1 Fine Arts or CTE credit
World Language	0 credit	2 credits (2 years of the same language)
Physical Education	1 credit	0 credits
Comprehensive Health	.50 credit	0 credits
Elective Courses	5.5 credits	0 credits
Total Required Credits	22 credits	16 credits

How do I have my parent approve my Four-Year Plan?

Here are the directions for your parent to electronically approve your four year plan. If your parent cannot do this, please contact your counselor. **THIS IS A HIGH SCHOOL GRADUATION REQUIREMENT.**
