

Course Descriptions:

WIN 100 Book Ends: Love reading? This is the course for you! Reading, discussion, book talks, and more reading! Hang out with people who love books.

WIN 101 Scholarship: Are you a busy student? Do you find yourself searching for extra time to finish your homework? If so, consider taking Scholarship to support your extra-curricular needs.

WIN 102 International Cultures: Walk in the steps of students from other countries, make memories, and develop cultural awareness skills.

WIN 103 Logic and Brain Teasers: Test your knowledge and push to new limits with various mind-bending activities.

WIN 104 3D Design: Learn to design objects using 3D Design Software. Learn to create amazing 3D objects and how to use 3D printers!

WIN 105 Harry Potter: Are you a fan of the wizarding world of Harry Potter? Join us as we bring a bit of magic to Bogle. You do not have to have read the Harry Potter series before, but it helps to not be a total muggle!

WIN 106 Better Bulldog: Lead Bogle into the next decade and be part of making our campus the best.

WIN 107 Origami: Learn the fine art of paper-folding

WIN 108 Bullet Journaling: #BuJo is Instagram's latest trend in creatively organizing your life.

WIN 109 Corn Hole: Learn to play the game Corn Hole and have time to develop their skills.

WIN 110 Typing: Enjoy learning this life-long skill and meet the challenge of word-processing using all 10-fingers! Better than texting for assignments.

WIN 113 Drawing & Doodling: Students tap into their creative nature, create a safe space, and relax while drawing or doodling. Drawing/doodling tools and a variety of paper are provided, but students can bring personal materials if they prefer.

WIN 114 Good Earth-Recycling: Help the earth and make it a better place for the future. Learn about our environment and how it works. We will be collecting the recyclables here at Bogle once a week.

WIN 115 Dynamic Design: Explore the basics of design using concepts of art, architecture, drawing and art history. Students will be working in small teams to develop their knowledge of design.

WIN 116 Public Speaking/Speech: Practice giving speeches to peers. Students present impromptu, informative, and persuasive speeches on a variety of topics, including serious and fun.

WIN 117 Genius Hour: What are you interested in learning about or improving on? Choose something you are passionate about, set goals, and accomplish them!

WIN 118 Space and Astronomy: Explore the mystery that is the universe by engaging in thought-provoking discussion and learning about some of the many tools that professionals use daily to observe the known universe.

WIN 119 Physical Wellness: Do you want to dissolve into the Earth in a puddle of stress and anxiety? Turn that frown upside down and practice activities that will help you maintain physical wellness.

WIN 120 Advanced Athletics: Engages all students in fun, friendly competitive sports games while cultivating honesty, respect and kindness.

WIN 121 Karaoke/Glee: Sing in the shower? The car? Come and get your voice on!

WIN 123 Magic of Music-History & Appreciation: Where did great music originate? Why is it fun and interesting? Join us to

WIN 124 Card Games: Bring in a deck of cards or your favorite card game to play and share.

WIN 125 Inside the Lines-Color: Choose from a variety of coloring pages and learn how coloring calms the mind and reduces stress. Focus on how to enjoy coloring in the moment to let go of anxious feelings.

WIN 126 Game Time! Retro Games: Take a trip back to the 70's with Retro Games. Spend some time playing UNO, Rubik's cube, Jacks, Trouble, Battleship and more.

WIN 127 Calligraphy: Practice the basic calligraphy alphabet and learn writing techniques to create art projects with different types of calligraphy pens.

WIN 129 Board Games: Bring in a favorite, classic or new, board game or sometimes play fun, in-class games let by the teacher and more!
