### Black History Proclamation February 9, 2022

African American history is a significant part of American history and should be studied throughout the year. Since 1976 in the United States of America, February has been designated as the month in which especially memorable events done by African Americans should be recognized and celebrated.

Chandler Unified School District has been positively shaped by the contributions of past and present employees, many African American leaders, administrators, educators, and student pioneers. This year, we pay homage to our black educators' classified, certified and administrative staff that serve all of our students in CUSD. We also pay homage to African American leaders in the city of Chandler and the state of Arizona.

Chandler Unified School District continues to work toward becoming an inclusive community in which all citizens, past, present, and future, are respected and recognized for their contributions and potential contributions to our community, the state, the country and the world.

### NOW, THEREFORE, ON BEHALF OF OUR GOVERNING BOARD AND SUPERINTENDENT IN CHANDLER UNIFIED SCHOOL DISTRICT

We proclaim the month of February 2022, as African American History Month and we honor the contribution of past and present employees, many African American leaders, administrators, educators, and student pioneers. We urge all Chandler and Arizona residents to celebrate diversity and promote equity, inclusion and excellence in our community as we commit to working toward the ideals of equality, freedom, and opportunity that our country represents.
