Germs, Germs, Germs...

It's that time of year. The weather is cooling down and germs are spreading like crazy. Remember to keep kids home if they have a fever of 100.4 or higher, or if they have vomited in the last 24 hours. Make sure to send a sweatshirt to school, and make sure to clean those water bottles frequently.

Donations Needed

We are desperately low on pencils in our classroom! If you have the opportunity, please send in some pencils.
