# Course Objectives

The curriculum for this course aligns with the Arizona State Standards for Language Arts. The English Department at Basha High School follows the requirements and guidelines set forth in the Arizona State Standards, which may be viewed on the Arizona Department of Education website. A comprehensive final and written exam is administered at the end of each semester.

**Research Project:** Over the course of four years, students work on completing one major research project. Each year builds on the previous year's work with the eventual completion of a significant project during their senior year. The schedule is as follows:

9<sup>th</sup> grade will choose an issue, conduct research, and begin to develop a research proposal.

10<sup>th</sup> grade will continue to conduct research and develop annotated bibliographies.

11<sup>th</sup> grade will create the research paper utilizing the proposal and bibliographies from previous years.

12<sup>th</sup> grade will take action on their issue by implementing their research through an action plan.

Students must understand that they will keep the same issue throughout all four years. They are expected to maintain their records and products electronically. **Please understand that this is a four-year research project and should be taken seriously, as it will be addressed their English class yearly.**

All major assignments must be typed and printed from the computer. MLA format is required. Handwritten essays will not be accepted. If you do not have access to a computer at home, you may use one of the computers in the library on your own time.

## Written Work Printer Access

I will gladly print out an assignment that is emailed to me, as long as I receive the email by 7:00 am on the due date. If I print your paper, you must then come in before school to pick up. I will not print your paper during class. **A broken computer or printer does not extend your due date.**

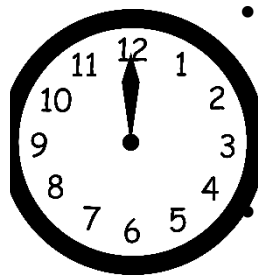

## Attendance

Since full and active participation is essential for success in this course, regular attendance is required. School Policy will be strictly adhered to regarding tardies and unexcused absences. If a student misses six classes, a letter is generated by the attendance. After 10 absences, a student may be dropped from the class and receive NO credit. Tardiness will not be tolerated in class. Be on time to class. After three tardies to class, it will be a referral the office.

## Late Work/Make Up Work

### Make Up Work

- I follow the BHS policy on make-up work. You are allotted the number of days that you missed, plus one, to make up your work.
- It is your responsibility to get the work on your own time. **Always check my website.**
- Make up tests/quizzes are to be made up within **ONE week** by coming in after school by appointment. After the one week, the test/quiz will be a zero if not completed.
- **Make-up work will only be accepted for excused absences.**

Any **unexcused absence** will not have the opportunity to make up work that was missed.

### Late Work

- Grades will be updated on a weekly basis
- If there is any assignment not turned in, it will be marked in Infinite Campus as **missing**, this includes no-name papers. The missing grade will stay until the assignment is turned in, each day that the assignment is late will be a **10% deduction** from the grade received. Communicate beforehand if you need more time. **Take responsibility for your actions.** Send me an email or talk to me in class about extended time on assignments.

# Diversity Statement

All individuals have a right to an educational environment free from bias, prejudice, and bigotry. As members of the Basha High School educational community, students are expected to refrain from participating in acts of harassment that are designed to demean another student's race, gender, ethnicity, religious preference, disability, or sexual

## Digital Citizenship

1. Participate, engage, & collaborate
2. Respect your peers, teacher, class, school, and the work (offered to you with the best of intentions)
3. Respect yourself, too. Your ideas are worthy.
4. Avoid sarcasm/angry comments; greet ideas from your peers with grace. Everyone makes mistakes
5. You're allowed to question ideas. You are NOT allowed to bully, belittle, or pester someone for their ideas.
6. Your work should be your own—"sharing" work or taking ideas without attribution is plagiarism (this includes other students)

## Bathroom Pass

You MUST sign out before going to the bathroom and take the bathroom pass hanging by the front door. Except for emergencies, please do not use the bathroom during the first OR last ten minutes of class.

## Behavior

1<sup>st</sup> Offense-  
Teacher and Student will have a discussion after class, as well as losing participation points for the day.

2<sup>nd</sup> Offense- Parent/Guardian will be notified of the situation with a phone call or email home; points on the assignment will be lost for that day.

3<sup>rd</sup> Offense- Parent/Guardian will be called in for a parent/teacher meeting; daily participation points will be lost for the week. Administration may be alerted if necessary.

4<sup>th</sup> Offense- Administration will be notified and a referral will be given.

## Cheating

Cheating of any fashion will **NOT** be tolerated. Any student found cheating or committing plagiarism will earn a "0" for the given assignment, and administration may be notified. IF a student is caught talking during a test, this will result in a cheating grade as well.

## Plagiarism

One huge misconception that students have is that rewriting something is not plagiarism, because they are "putting it in their own words." If the source is not acknowledged, IT IS PLAGIARISM. Copying and pasting actually accounts for a small percentage of plagiarism. The accessibility of the Internet makes plagiarism very tempting, and unintentional plagiarism springs from this as well. Simply stated, plagiarism is using someone's work without giving them appropriate credit. **And it will result in a zero on your work.**
