

Welcome to Algebra 2 Online with Ms. Tiedeman!

Email: Tiedeman.kelcie@cusd80.com

This syllabus is subject to change.

Online Expectations:

- **Check into Google Classroom daily!** There will be new assignments and videos every scheduled class day. Logging in and checking google classroom daily will keep you from missing an assignment.
- **Turn assignments in on time!** Turning in assignments on time will help you be better prepared for any future assessments.
- **Email me with questions or concerns!** Technology can be tricky! If you are having any issues with google classroom or anything related to Algebra 2, email me so I can help.

In addition to the Chandler Unified School District and Basha High School code of conduct, adhere to the following classroom expectations. All individuals have a right to an educational environment free from bias, prejudice and bigotry. As members of the Basha High School educational community, students are expected to refrain from participating in acts of harassment that are designed to demean another student's race, gender, ethnicity, religious preference, disability or sexual orientation. Violation of the aforementioned will result in immediate disciplinary action.

Homework Policy:

- All assignments are due by the due date in google classroom. To receive full credit on homework, you must turn assignments in on time. All work must be shown and organized in order to receive credit. The work must mathematically prove the answer.
- LATE WORK is accepted for half credit up until the day of the test. After the day of the test, no credit will be given on late assignments.

Due Dates and Times Explained:

- All assignments are due by the start of the next scheduled class time. Due dates and times can be seen in Google Classroom.
 - EX: An assignment assigned Monday will be due by on Wednesday at the start of class.
- Late assignments will only be accepted up until the day of the test.

BHS Class Times	
Period 0	6:25-7:22
Period 1/2	7:27-9:21
Conference	9:21-9:41
Period 3/4	9:46-12:15
Period 5/6	12:20-2:14

Online Classroom Layout:

- **Video Lesson.** There will be a video lesson almost every scheduled class day. It is expected that you watch every video lesson.
- **Homework.** Homework will be assigned after every video lesson and should be completed before due date.
- **Google Meet.** You will be able to join a Google Meet via Google Classroom at the end of your scheduled class time to ask questions face to face. This is not required.

*** There will not be a video lesson every single day. On some days you may have a quiz or test.

GRADING POLICY

- Calculated on a point system that is a 80% - 20% split with Tests and Quizzes worth 80%.
- Semester grades are based on a 40-40-20. Each quarter is worth 40% and the Final Exam is 20%.
- No extra credit is offered and per Math department policy, no test retakes are given.
- A standard scale is used:
 - A:** 90-100%
 - B:** 80-89%
 - C:** 70-79%
 - D:** 60-69%
 - F:** 59% and below (no credit is given and the student must retake the class)
- Parents/students will be able to access grades online. We are using a system called Infinite Campus. There is a link to the site off my webpage or the District website. I encourage/expect parents and students to bookmark the site and check grades regularly so there are no surprises! There is also an Infinite Campus app for your phone!

*** This Policy will carry over when we switch to in person instruction.

MATERIALS

- A binder to keep notes and homework organized
- Notebook Paper
- Scientific Calculator is **required** to be successful in this class, however a graphing calculator is **highly recommended** and will be used for the rest of HS and into college so it is a necessary investment. The TI 84, 84 Plus or Silver Editions are great ones to buy and are approved for the ACT/SAT.

REMIND

Students & Parents please register with Remind so you will receive our reminder texts throughout the year! Send a text message to **81010** with the message below. Be sure to send the message that corresponds to the period you have math!

Class Hour	Code
1 st Hour	@ff78g4k
3 rd Hour	@6cbh8f

Or you can email:

[\(class code\)@mail.remind.com](mailto:(class code)@mail.remind.com) if you don't have texting.

BHS MATH DEPARTMENT POLICY FOR TESTING

- There will be no retakes for any tests on an individual student basis. A teacher may elect to reteach topics and then retest these topics for the entire class if they feel it will benefit the students and deepen their understanding of the concepts.
- For all courses at the Algebra II level and above there will be no test corrections made after a test has been graded and recorded that will count for points back on that specific test. The assignment may be given for homework points only.
- For courses that are giving common assessments, the test must be given within the same week as all other course of that level. The assessment scores may be shared with students and then collected for test/quiz security.
