

Mrs. Coplan was thrilled to receive a week of casual dress made possible by one of her students.

The family purchased a CEF ticket here at KGA for \$20.00. Now they have the chance to win \$20,000 cash or \$27,000 off the MSRP of a 2020 Toyota. This purchase gives money back to our schools while providing important scholarship funding for our CUSD students. In addition, Mrs. Coplan was able to wear her jeans to school for a week! WIN, WIN, WIN!

**Please consider buying a ticket in your teachers honor, available in our front office now through March 20.**

**The class that purchases the most CEF tickets will get an ice cream party with their teacher!**
