

*Strive for the
impossible, and be
extraordinary!*

August 16, 2019

Dear Knights,

Things have really ramped up with long-term projects underway. Right about now is the time that some students are coming home with lower grades than they have ever gotten. This is normal. Remember that we are a unique program that strives to challenge and grow students academically with an accelerated curriculum. We do not expect straight A's, but we do expect effort and perseverance and that is exactly what our students are already demonstrating. We are so impressed this year! Check out what is happening at ACPO!

Conferences:

Our early release date is next Thursday August 22nd. Students will be dismissed at 11:52 am. Lunch is not provided this day. Please expect a longer pick-up line. Stay safe out there! School buses will run as normal, only they will run approximately 3 hours earlier in the afternoon.

Teachers have begun sending out invites for conferences through Sign-Up Genius. Remember that if you do not get an invite, but would still like to discuss any questions or concerns, you can email your child's teacher.

Cash for Classrooms:

Thank you so much for donating to our Chandler Education Foundation fundraiser last week. We made a strong push last week but the campaign will continue through the month of August. If you would still like to donate, please visit the CEF website. Our teachers are writing and submitting grants as we speak. These grants will be awarded with funds you donate. We will let you know who gets a grant this year. Thank you again!

Booster Club:

Thank you to everyone who attended our ACPO Booster Club meeting last night at Floridino's. It was great seeing you all! I am excited about the fun possibilities this year!

Thank you and have a restful weekend. Go Knights!

Sincerely,

Tony Alcala

YOUTH ARTS COUNCIL

Participants in the Youth Arts Council (YAC) focus on arts appreciation, community service, and leadership skills in order to learn what it means to be an advocate for the arts and a well-rounded community leader.

Teens are engaged in experiential three-hour sessions over six months that provide hands-on real-world leadership situations at a performing arts center. Expert speakers and problem-solving projects help teen participants complete the program with increased knowledge of: career opportunities in the arts, financial responsibility, leadership skills, small and large group dynamics, as well as public relations and marketing for the arts.
