

Strive for the impossible, and be extraordinary!

December 13, 2019

Dear Knights,

What a great spirit week at ACPO! Today's ugly sweater participation was impressive! As we near the end of the year, I want to thank you for your continued support. We've all worked very hard this semester and we're all looking forward to finishing strong and then jumping into the holidays.

ASU Partnership

We are very excited to host three educators from Saudi Arabia through a unique partnership with ASU. Next semester we will host two teachers and a principal who are participating in this valuable immersion program. These educators will shadow me and two teachers on campus to learn about the great things happening at ACP. We are looking forward to the experience!

Athletics

Congratulations to our Cross Country teams this season! The boys finished in first place and the girls in second! Thank you parents for your support this season! Next quarter we continue with wrestling (no-cut), girls basketball, and boys soccer.

Tax Credit

Please consider taking advantage of the Arizona tax credit if you have not yet donated. This is my first and only request this year because we are so fortunate to have such a generous group of parents. Thank you for contributing in so many ways! We will keep working to take care of any needs we have as a school so our students have the very best. I will also keep asking Santa for a new gymnasium! 😊

Harkins

Harkins orders will be delivered to students on Monday. Please be sure to check their backpacks when they return home.

Lost and Found

We must have \$1000 worth of water bottles and lunch bags in our lost and found. Please remind your students to stop by the red benches to check for their missing items. Remaining items will be donated to charity over the winter break.

Have restful weekend!

Sincerely,

Tony Alcala
Principal – ACP Oakland
