****Parent Information:** This is our **weekly lesson plan**. It tells families what the students are working on each week, the skills addressed in each activity, and upcoming important events. In our program, the students will be introduced to **monthly thematic units** (i.e. "Our Community", "Awesome Animals", etc) and **science** themes (i.e "Magnificent Magnets", "Feathered Friends", etc). There are also weekly **math** concepts (i.e. "Counting 1-5", "Language of Position", etc.) introduced. The first semester, in our literacy curriculum "**Fundations**", the students learn **letter names and sounds**. This week, we work with letter "G" ("G Game /g/").

****Color of the Month!** At the end of each month, students have an opportunity to **WEAR** the **COLOR OF THE MONTH** at our "Color of the Month" party. Students can bring a **TOY** or **SNACK** to share that is the COLOR OF THE MONTH. OCTOBER's **COLOR OF THE MONTH is ORANGE!** Our **ORANGE Color Party/COSTUME PARTY is OCTOBER 28!**

****Show and Tell YES, EACH THURSDAY** is "Show and Tell"! Students are allowed to bring one toy/item from home in their backpack to show their friends and tell about it during Circle time. This is a great activity for social skills and language! The toy/item is kept in their backpack for the rest of the day and sent home.

****REMIND** This is an APP on your smart phone to keep connected with how your child is doing in class, what he/she is doing, and upcoming events!

****Feel free** to contact the teacher anytime via email (strickland.lisa@cusd80.com), **sending a note** in your child's backpack, or a message through the REMIND app.

****As we head into "Fall/October"**, we will be using **PUMPKINS** in many of our activities and crafts (decorating, learning about, in "science", in "fine motor"...). If anyone would like to donate a pumpkin(s), that would be wonderful! **ANY SIZE** is appreciated.
