****Parent Information:** This is our **weekly lesson plan**. It tells families what the students are working on each week, the skills addressed in each activity, and upcoming important events. In our program, the students will be introduced to **monthly thematic units** (i.e. "Ready For School", "My Family", etc) and **science** themes (i.e "Science Tools", "Nutrition/Fitness", etc). There are also weekly **math** concepts (i.e. "Patterns", "Measurement", "Counting 1-5", etc.) introduced. The first semester, in our literacy curriculum "**Fundations**", the students learn **letter names and sounds**. In 1st semester, we work on "letter names/sounds". This week, we work introduce the ABCs.

****COLOR OF THE MONTH!** At the end of each month, students have an opportunity to wear the **COLOR OF THE MONTH** at our "Color of the Month" party. Students can bring a toy or snack to share that is the COLOR OF THE MONTH. August's **COLOR OF THE MONTH is RED!**

****Show and Tell YES, EACH THURSDAY** is "Show and Tell"! Students are allowed to bring one toy/item from home in their backpack to show their friends and tell about it during Circle time. This is a great activity for social skills and language! The toy/item is kept in their backpack for the rest of the day and sent home.

****REMIND** This is an APP on your smart phone to keep connected with how your child is doing in class, what he/she is doing, and upcoming events! I will be sending invitations to all families on phones/emails.

****Feel free** to contact the teacher anytime via email (strickland.lisa@cusd80.com), **sending a note** in your child's backpack, or a message through the REMIND app.
