****Parent Information:** This is our **weekly lesson plan**. It tells families what the students are working on each week, the skills addressed in each activity, and upcoming important events. In our program, the students will be introduced to **monthly thematic units** (i.e. "My Family", "Our Community", etc) and **science** themes (i.e "Blocks Measure Up", "Magnificent Magnets", etc). There are also weekly **math** concepts (i.e. "Patterns", "Measurement", "Counting 1-5", etc.) introduced. The first semester, in our literacy curriculum "**Fundations**", the students learn **letter names and sounds**. This week, we work on letter "E", "E Ed /e/".

****Color of the Month!** At the end of each month, students have an opportunity to **WEAR** the **COLOR OF THE MONTH** at our "Color of the Month" party. Students can bring a **TOY** or **SNACK** to share that is the COLOR OF THE MONTH. SEPTEMBER's **COLOR OF THE MONTH** is **BLUE!** Our **BLUE** Color Party is **SEPTEMBER 23!**

****Show and Tell YES, EACH THURSDAY** is "Show and Tell"! Students are allowed to bring one toy/item from home in their backpack to show their friends and tell about it during Circle time.

This is a great activity for social skills and language! The toy/item is kept in their backpack for the rest of the day and sent home.

****REMIND** This is an APP on your smart phone to keep connected with how your child is doing in class, what he/she is doing, and upcoming events!
