4TH QUARTER IS HERE!

Welcome back to school. This is our last quarter of the school year. March's "GREEN" color party was a hit! Thank you Parents! Our students LOVE bringing in something for "Show and Tell". It's a great time, and they are talking so much about their toy and family! They are also learning to share much better! The students also learned about eating healthy and playing safe. This quarter we talk about nature, the weather, and getting ready to go to kindergarten (for our students moving up).
