HELP AT HOME The **CONCEPTS BELOW** are things we work on weekly. PLEASE ASK US FOR SUGGESTIONS TO WORK WITH YOUR CHILD AT HOME! **We have many, many ideas!** This is where I will put ideas for you to work on at home. We also will be using a program called **READY ROSIE** for parents to access activities and videos as resources for home! EXCELENT VIDEOS TO HELP WITH AT HOME LEARNING!

November's Over, Here come the Holidays !!
This month went by so fast! Soon, the holidays will be here! Our students have worked very hard following directions and participating in all kinds of learning activities (i.e. letters/sounds, counting, comparing, learning about birds, talking about "friends" in our community, and learning about different kinds of animals and their homes). Our **COLOR parties** are a success each month! I send pictures, etc on REMIND and information for parents on READY ROSIE. You are always welcome to contact me via email or note in backpacks to ask questions.
