HELP AT HOME The CONCEPTS BELOW are things we work on weekly. PLEASE ASK US FOR SUGGESTIONS TO WORK WITH YOUR CHILD AT HOME! We have many, many ideas! We use a program called READY ROSIE for parents to access activities and videos as resources for home! EXCELLENT VIDEOS TO HELP WITH AT HOME LEARNING!

GREAT START TO 2020

Students worked on writing letters / their name, experimenting with pouring/measuring WATER, BUILDING structures (special visit from the Science Center), and learning about 3D objects. Our CREATIVE sides showed during "Art All Around Us" in dance and art! Our Color "WHITE" Party was a success, as well! Our class sizes are now 11 in the AM and 10 in the PM. We keep growing!
