

Thursday, October 17th, 2024

Thank you for taking part in 7th grade boys' basketball. I enjoyed meeting and working with you over the try-out period. Unfortunately, I am unable to retain all the participants that tried out for the basketball program.

For those athletes that are not listed below there are many clubs that offer you the opportunity to further your basketball skills. I encourage you to take these opportunities to develop your basketball abilities with next year's try-outs in mind. Thank you again for all your effort and your participation.

For the following players that are listed below, congratulations! You have been selected to take part in this upcoming basketball season. Your abilities match the criteria I am looking for in athletes to represent the Santan 8th grade boys' basketball program.

Your first practice will be Friday, October 18th, at 7:00 A.M. You will receive your practice schedule and additional information at your first practice.

Please remember the commitment you agreed to in sportsmanship, effort, attitude, and attendance as you now represent the Santan 8th grade boys' basketball program. I look forward to working with you this upcoming season.

Sincerely,
Coach Thomas
