

hello WELCOME TO 6TH GRADE

Dear 6th grader and family,
Though this year may look a little different than what we are familiar with, I am so excited to embark on this journey with you all. As a 6th grader, you are the role models of the school and with this comes great responsibility. I look forward to watching you all learn and grow. We will be attaching our curriculum presentation to this email and encourage you to look over it and ask any questions during Meet the Teacher.

Our first day of virtual school is on August 5th, 2020.
