

Class of 2022

Graduation Information

Chandler High School

www.cusd80.com/chs

Dear Parents/Guardians:

Graduation is quickly approaching and we are very excited for our graduating Senior Class of 2022. The following information outlines everything students need to know about graduation. Please take the time to read through it with your son or daughter so that you are aware of the timeline for graduation and all final activities for seniors. Mid-year graduates must fulfill all checkout and graduation practice requirements as well.

Graduation is an especially poignant time for our students and their parents because it signifies the end of the public educational process, and the commencement of adult responsibilities and future educational endeavors. It is also a time for our students to reflect on what their family, friends, and teachers have done to make this day possible. Students should behave with dignity to show appreciation to them.

We are committed to having a dignified commencement exercise, and we know that with your help the commencement will be memorable for your family. **Please do not bring foahorns or balloon bouquets** to Austin Field as a courtesy to other families and friends who want to hear and see the ceremony.

As in prior years, the Class of 2022 graduation ceremony will be streamed live via the Internet at <https://www.youtube.com/c/CtownLive>.

We also would like to inform you that our inclement weather plan will be as follows:

- ◆ Light to moderate rain, wind, dust – the ceremony will continue but may be shortened
- ◆ Severe rain, wind, or lightning – a shortened ceremony will take place the following morning at 8:00a.m. with line up at 7:30a.m.
- ◆ If weather appears to be a concern on graduation day, we will communicate via the school website at www.cusd80.com/chs.

The administration at our high school is extremely proud of the students of the Senior Class of 2022. Despite the challenges brought on by the pandemic, they have achieved many great accomplishments. Chandler High School, under their leadership, has continued to increase the number of awards and hours of community service that have become a part of Chandler High's rich traditions. You should be proud to know that your child is among the ranks of an outstanding graduating class from one of the finest schools in the State of Arizona.

Sincerely,

Luke Hickey
