Class Settings

This class has no students.

The Class Code is

print0520

Share the code with any students you want to add to the class and have them:

- 1 Go to BrainPOP, BrainPOP Jr..
- 2 Click Enter Code at the top.
- 3 Enter your class code.
- 4 Log in with their student accounts or create new ones. (Note: students can use the same account to join multiple classes.)
- 5 Explore!

To share your class code and login instructions with your students, you can

 [download this handy PDF.](#)

Once your students have joined – Assign Tasks
